MARE' OWNER INFO

Ranch Namaspamoos owner of the stallion *one of our stallion at stud's name plus all registration's numbers* do set the following terms for the breeding of the mare *name and registration of the mare* belonging to *mare's owner name* from *mare'sowner farm/location*, beginning on the date of *date of day* 2007.

The mare will be boarded at the Ranch Namaspamoos facilities in a outside stall.

Mare care is \$7/day dry and includes hay, fresh water and graze. But first 5 days of boarding are on "no charge" (included in the breeding fee).

Grain is provided by mare owner _____ provided by Ranch Namaspamoos at \$2 per day. _____.

Ranch Namaspamoos is not responsible for illness in the mare if it is determined the condition was pre-existing to the date of her arriving at the ranch. Ranch Namaspamoos is not responsible for other injury that occurs while the mare is boarding at the Ranch Namaspamoos facilities.

Any illness or injury to the mare will be immediately reported to the owner. The mare is to be treated by the attending veterinarian of Ranch Namaspamoos at the owner's expense.

The mare owner, (*name of mare'sowner*) is not liable for any injury caused to the stallion by the mare during service.

The service will be hand breeding only.

There is a live foal guarantee (LFG) on this breeding. The mare should have received vaccination against abortive rhino-pneumonia at her 5th, 7th and 9th month of pregnancy to be elected for LFG.

Breeders certificate will be provided by Ranch Namaspamoos for registration purposes. All foals born from *name of the stallion* must be registered with the prefix NAMASPAMOOS and named using the letter "*first letter of the stallion name*".

Breeding fee for the contract period is \$1 000 (Canadian funds). A deposit of \$250 is required. All fees must be paid in full before the mare is released following service.

Other conditions:

The mare SHOULD NOT HAVE IRON SHOES on her rear hooves.

This contract must be completed before this mare will be bred. Non-refundable annual Booking Fee is due before mare is bred. Board rate and veterinary fees are payable at time of discharge. Special diagnostic and therapeutic procedures such as biopsy, endoscopy, hormone therapy, or other treatments will be charged as necessary.

HEALTH REQUIREMENTS:

Visiting mares must be current for the following vaccinations (indicate date):

Rhino _____ Influenza _____ EEE/WEE _____
Tetanus _____ Rabies _____ Date Last Coggins Test _____
Date Last Deworming _____

And the mare must have a CLEAN UTERUS SWAP as well as an HEALTH CERTIFICATE no older than a month prior her arriving at Ranch Namaspamoos.

AUTHORIZATION OF TREATMENT: The owner or agent by signature below authorizes breeding, treatments associated with breeding, and veterinary care (routine and emergency). Ranch Namaspamoos will make every reasonable effort to contact the owner by telephone in the event of an emergency. The owner of an insured mare must provide information regarding the company and policy at the time of arrival. Ranch Namaspamoos shall not be liable for damage or loss caused by circumstances beyond the control of Ranch Namaspamoos. The owner or authorized, having read and fully understood the terms of this agreement, hereby agrees to its terms on:
